American Academy Of Forensic Sciences Asks Dr. Ajit S. Arora, M.D., Ph.D. to present paper on The Forensic Evaluation of Toxic Mold Claims

The prestigious American Academy of Forensic Science has accepted Dr. Ajit S. Arora's paper on "The Forensic Evaluation of Toxic Mold Claims" and asked Dr. Arora to speak before 300 of the most prestigious and qualified forensic scientist and physicians and others deeply involved in the forensic sciences including law enforcement, universities, legal, etc.

To have a scientific paper accepted for presentation the subject and methodology must meet extremely rigorous standards including independence from influential sources, objectivity and scientific rigor. Parthenia Medical Group is proud to announce that Dr. Arora has met these rigorous standards and will present on February 21st and 26th 2005 at the American Academy of Forensic Science annual conference in New Orleans, Louisiana.

The same exacting standards required by the American Academy Of Forensic Sciences are found in every Independent Medical Evaluation and Report performed by Dr. Arora. For more information on the "Forensic Evaluation of Toxic Mold Claims" or other areas of Dr. Arora's expertise or to schedule and Independent Medical Evaluation with Dr. Arora please use our [website scheduling](#) or [contact submission forms](#) or call us at our main office.
